

Attendance Requirements (180 Days Form)

To be handed in to your team captain with your end-of-the-year report card(s)

Delaware Code Title 14, Section 2704, requires that “all persons conducting private schools, and all private educational corporations, or institutions shall report to the State Board of Education annually on or before the 15th day of June, as to enrollment, age of pupils, and attendance.”

Family Learning Academy is required to verify with the Department of Education that each child enrolled in FLA for the entire year was in attendance for 180 days. If a child transferred into FLA during the school year, we must verify attendance for the appropriate pro-rated number of days.

List your children’s names below. Circle yes if they have been in attendance with Family Learning Academy for at least 180 days this school year. Check no if they have not. For any who have not been in attendance for at least 180 days, please explain in the blanks below the reason why they have not (transferred in during middle of the year, sick for an extended period of time, etc.)
